### Usage

```
\documentclass[a4paper,10pt]{article}
```

```
\begin{document}
```

This is an example of a paragraph with in-text citations using the amsplain BibTeX style. Here is a reference to a journal article with a single author `\cite{article1}`, to a journal article with two authors `\cite{article2}` and three authors `\cite{article3}`, and to a book with four authors `\cite{book4}`.

```
\bibliographystyle{amsplain}  
\bibliography{sampleBibFile}  
\end{document}
```

This is an example of a paragraph with in-text citations using the apalike BibTeX style. Here is a reference to a journal article with a single author [2], to a journal article with two authors [1] and three authors [3], and to a book with four authors [4].
